A Year of Happenings

Each school year has its own happenings that make it unique, exciting, and special. The 1983-84 school year was no different. A lot of unique, exciting, and special things happened during the year. 1984, a year to be remembered . . .

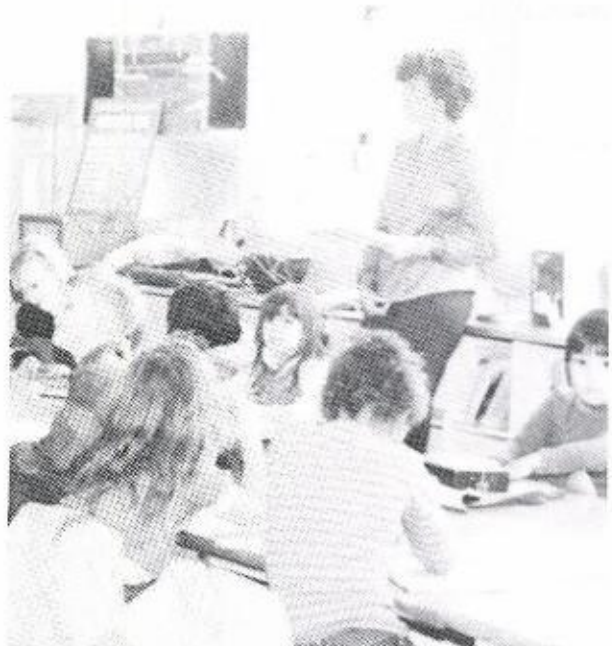

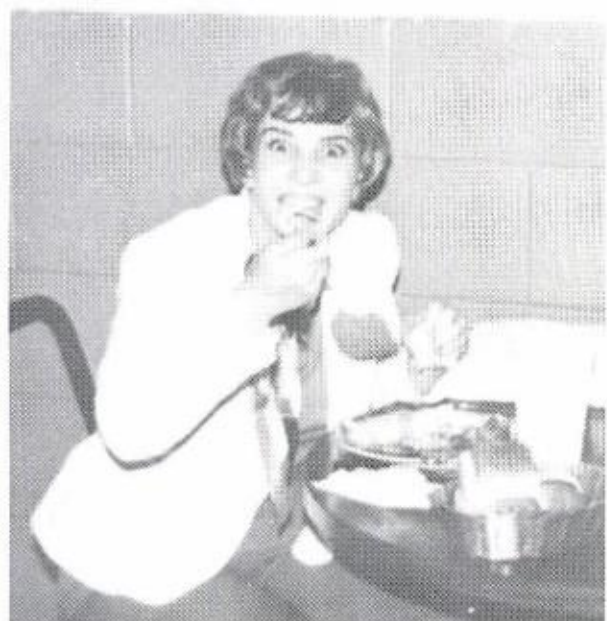

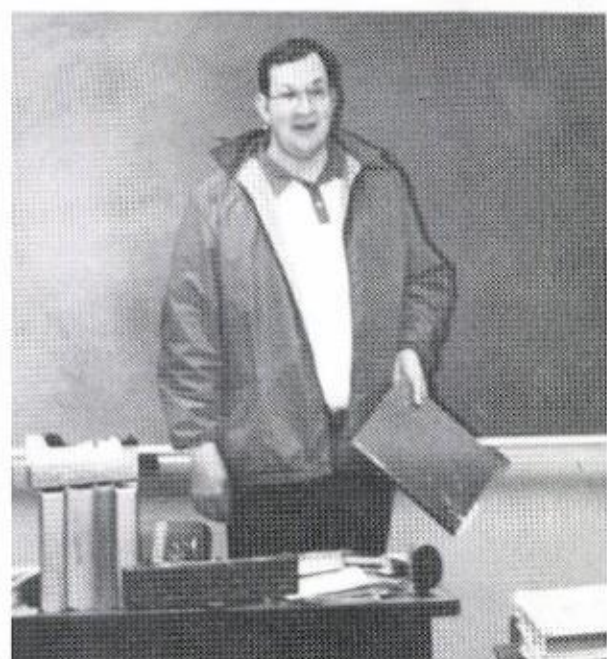

1984

None Before Like 1984

It all began August 18, 1983 and until May 18, 1984 students found their school day crowded with all kinds of activities. There were times of happiness, enthusiasm, and maybe even times for tears, but in all, 1984 was a time to live, change, and grow. 1984, the time of our lives!!!

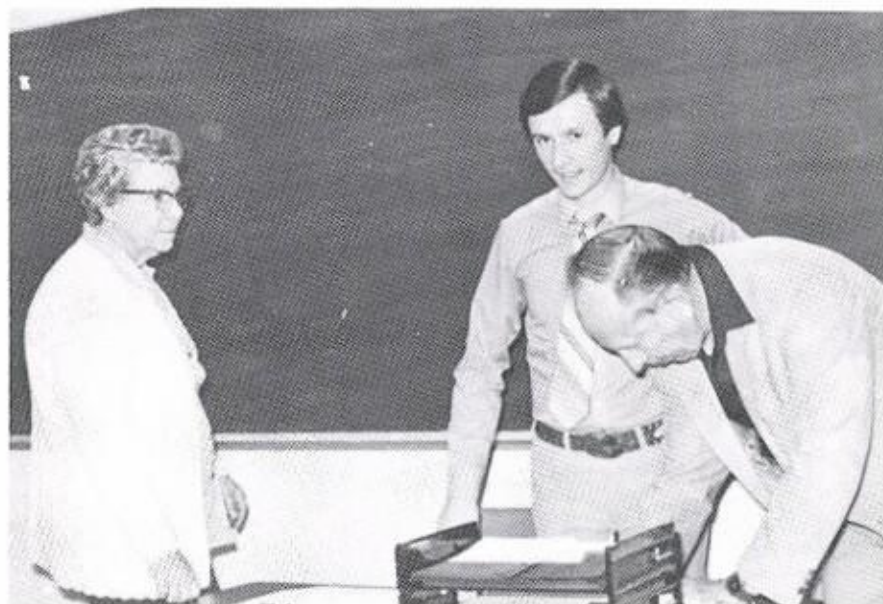

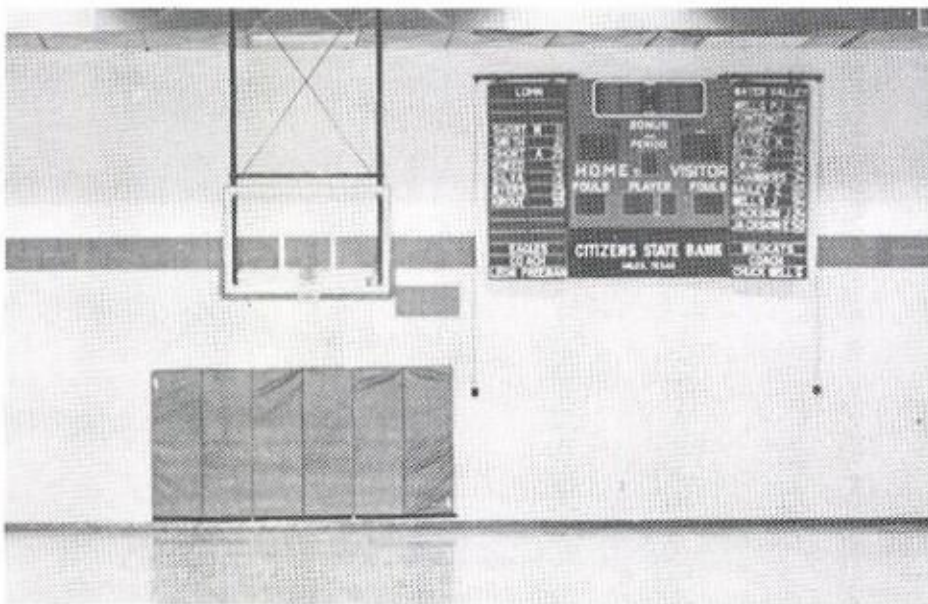

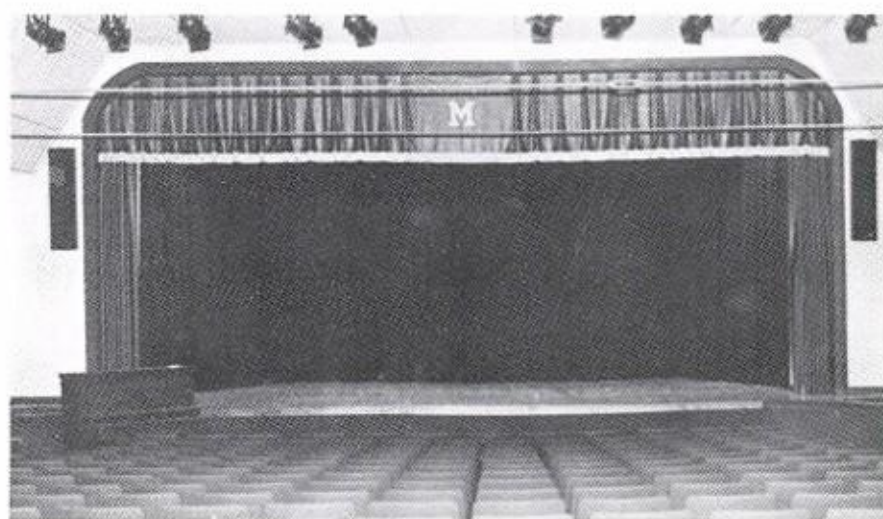

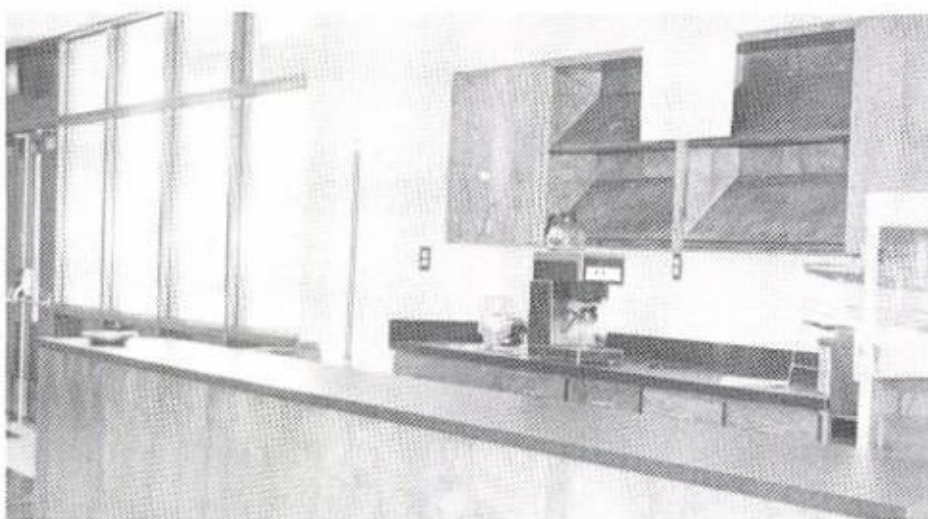

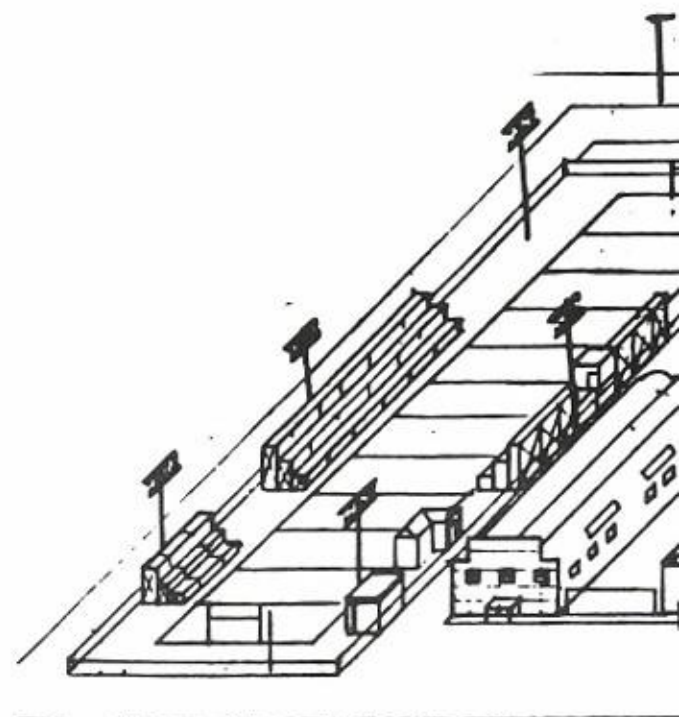

School Campus

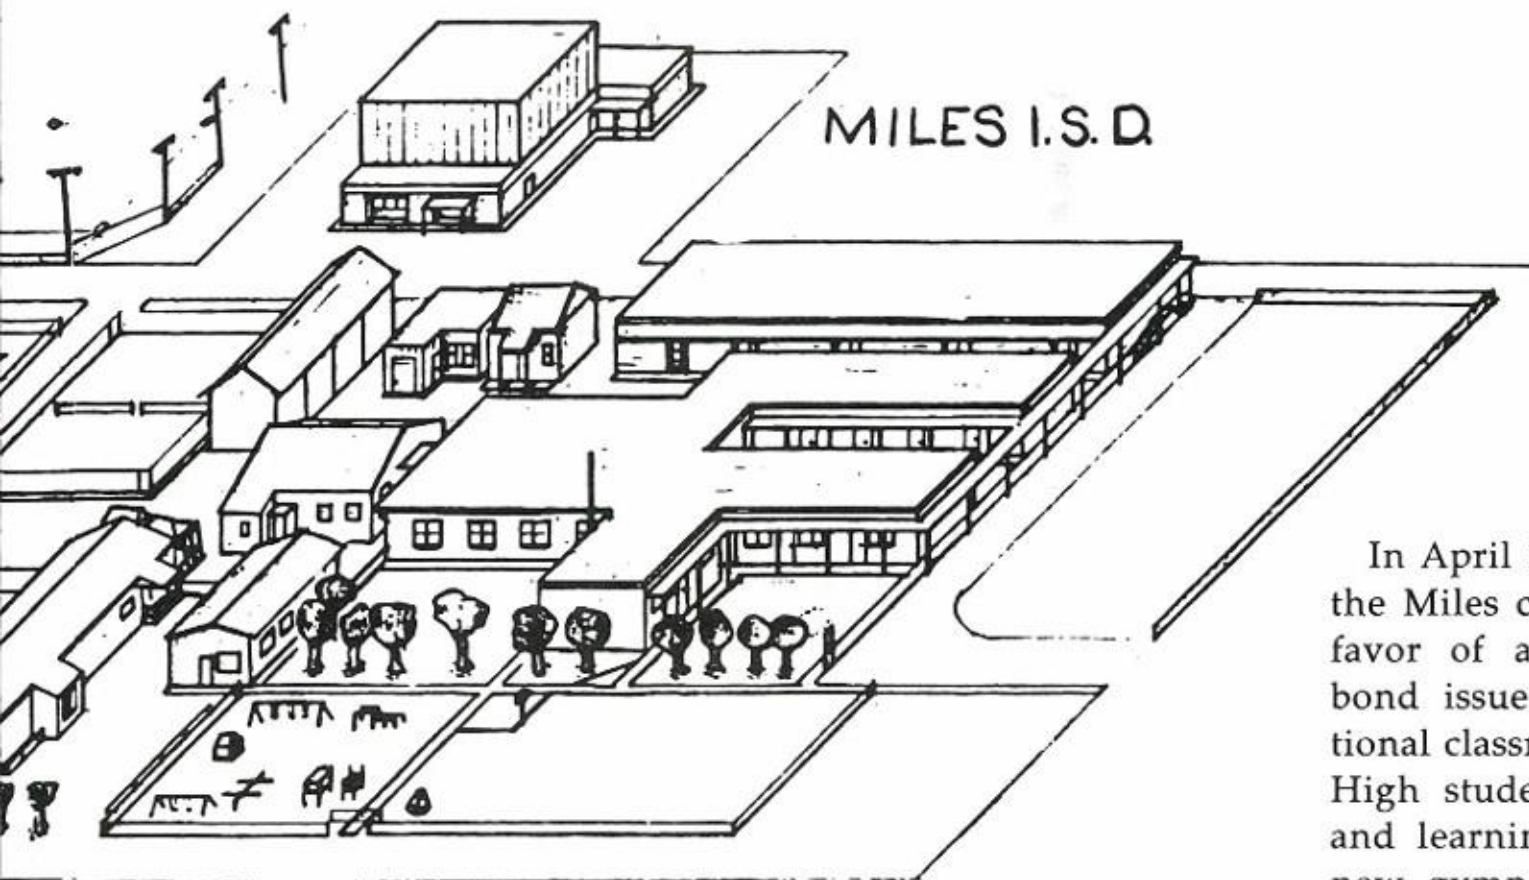

Workers were seen off and on throughout the year as renovations were made on the Miles school campus.

An Open House was held at the beginning of the school year which allowed the public to view the new additions.

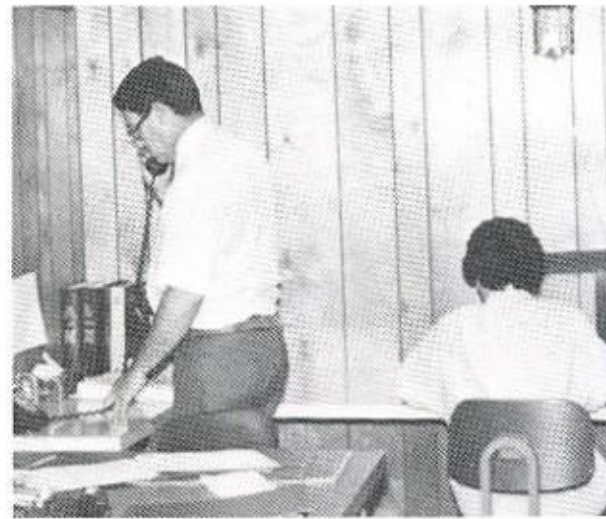

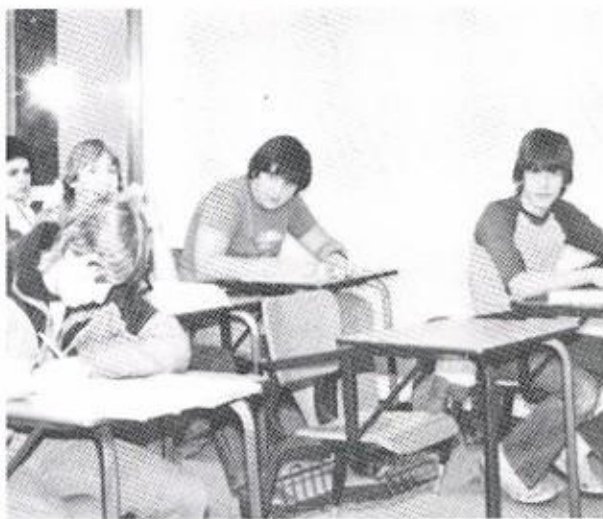

School Campus

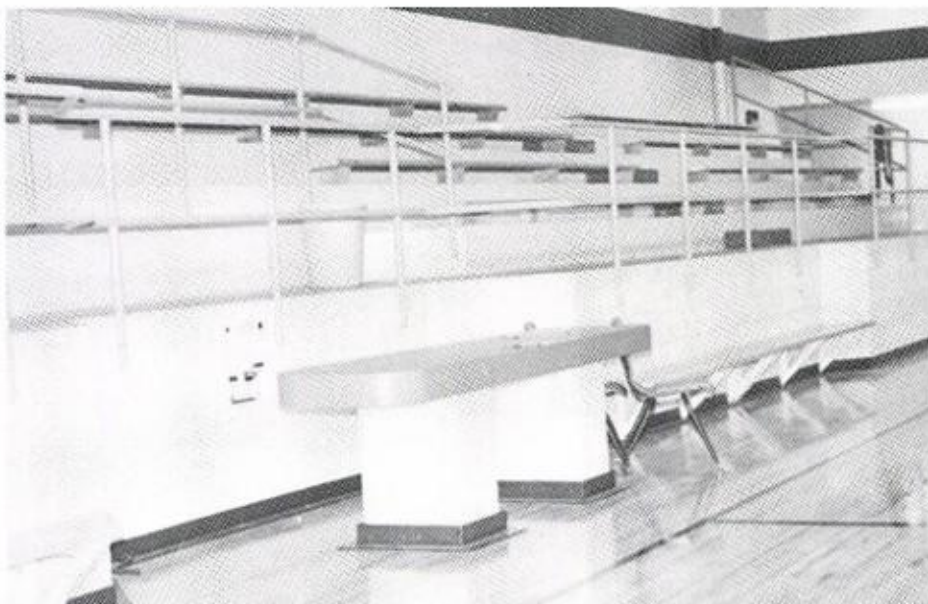

In April 1981, the citizens of the Miles community voted in favor of a \$1,595,000 school bond issue to construct additional classrooms for Jr. and Sr. High students, a new library and learning center, cafeteria, new gymnasium, additions to the FFA vocational shop, and to renovate the existing buildings. These renovations included the auditorium, and the high school-elementary wings. Construction of the new facilities began in May, 1982, and was completed in August of 1983. Renovations to the older buildings included central heating and cooling systems, new lighting, suspended ceilings, and various other energy-saving projects.

"The School Board and Administration of Miles ISD established the improvements of facilities as its highest priority when enacting the building program. Many long hours were spent by the members of the School Board in planning and supervising this program. We feel, however, that the end product will be one factor for a better education for the young people of the Miles School District."

—Mr. Mac Coppinger
Superintendent

Special thanks to Mr. McCarson for the scale drawing of the school campus.

Dedication

The 1984 Senior Class of Miles High School would like to dedicate this annual in loving memory of Mr. Milburn Wright, Jr.—a friend to all.

WHAT SORT OF FRIEND?

I'd like to be the sort of friend
that you have been to me,
I'd like to be the help that you are
always glad to be,
I'd like to mean as much to you
each minute of the day
As you have meant,
Good Friend of Mine,
to me along the way;
And this is just to wish somehow
that I could but repay
A portion of the gladness
that you've strewn along my way,
And could I have one wish this year
this only would it be
I'd like to be the sort of friend
that you have been to me!

Farewell Now, My Friend

I love you, my friend
You're quite dear to me,
A true friend you are
And always will be.
But you're leaving me soon
And going your own way,
Perhaps we will meet
In the future some day.
You've left me with memories
Of good times we've had,

To treasure forever
And make me feel glad
I wish you good luck
In all that you do
May all of life's pleasures
Come your way, too.
Farewell now, my friend
And please may you find
Some thoughts of me
Always in your mind.

In Appreciation

Mrs. Madalene Davidson
Miles Kindergarten Teacher
1971-1984

These students were members of Mrs. Davidson's first Kindergarten class here at Miles. They are also members of this year's Sr. Class!

Mrs. Davidson retired this year after thirteen years of service to Miles I.S.D.

Thirteen years ago, several youngsters climbed up the steps of the old Kindergarten building to find Mrs. Madalene Davidson there with a welcoming smile. They learned the alphabet and all their numbers, and even learned how to write their names. Today, those same students, in 1984, received their high school diplomas. Over the years many things have changed. For instance, youngsters today attend class in a new building designed especially for kindergarteners. However, many things have not changed. Mrs. Madalene Davidson still welcomes her students with a smile . . .

Girls Capture Bi-District Crown

The 1983 volleyball team consisted of 11 Varsity players and 13 Junior Varsity/Freshmen players. The Varsity team automatically advanced to the Bi-District play-offs in Crane. An outstanding and very exciting match against Marfa, (15-13, 9-15, 15-12), enabled our girls to win Bi-District. The Bulldogs went on to Big Spring for the area title against Plains but were defeated.

The Varsity record was 16-12, and J.V.'s was 8-6.

Bulldogs Face Tough Season with Pride

The second year in class 2A took its toll on the Bulldogs as they faced teams like Wall, McCamey, Big Lake, Eldorado, and Stanton in district play. But they never lost sight of that Bulldog pride!

This year's team was made up of 5 seniors, 7 juniors, 7 sophomores, and 3 freshmen. These boys worked hard during two-a-days to prepare for the season. The hard work and pride continued throughout the year.

Bulldogs run through a pre-game victory sign.

Bulldogs are still the BEST!

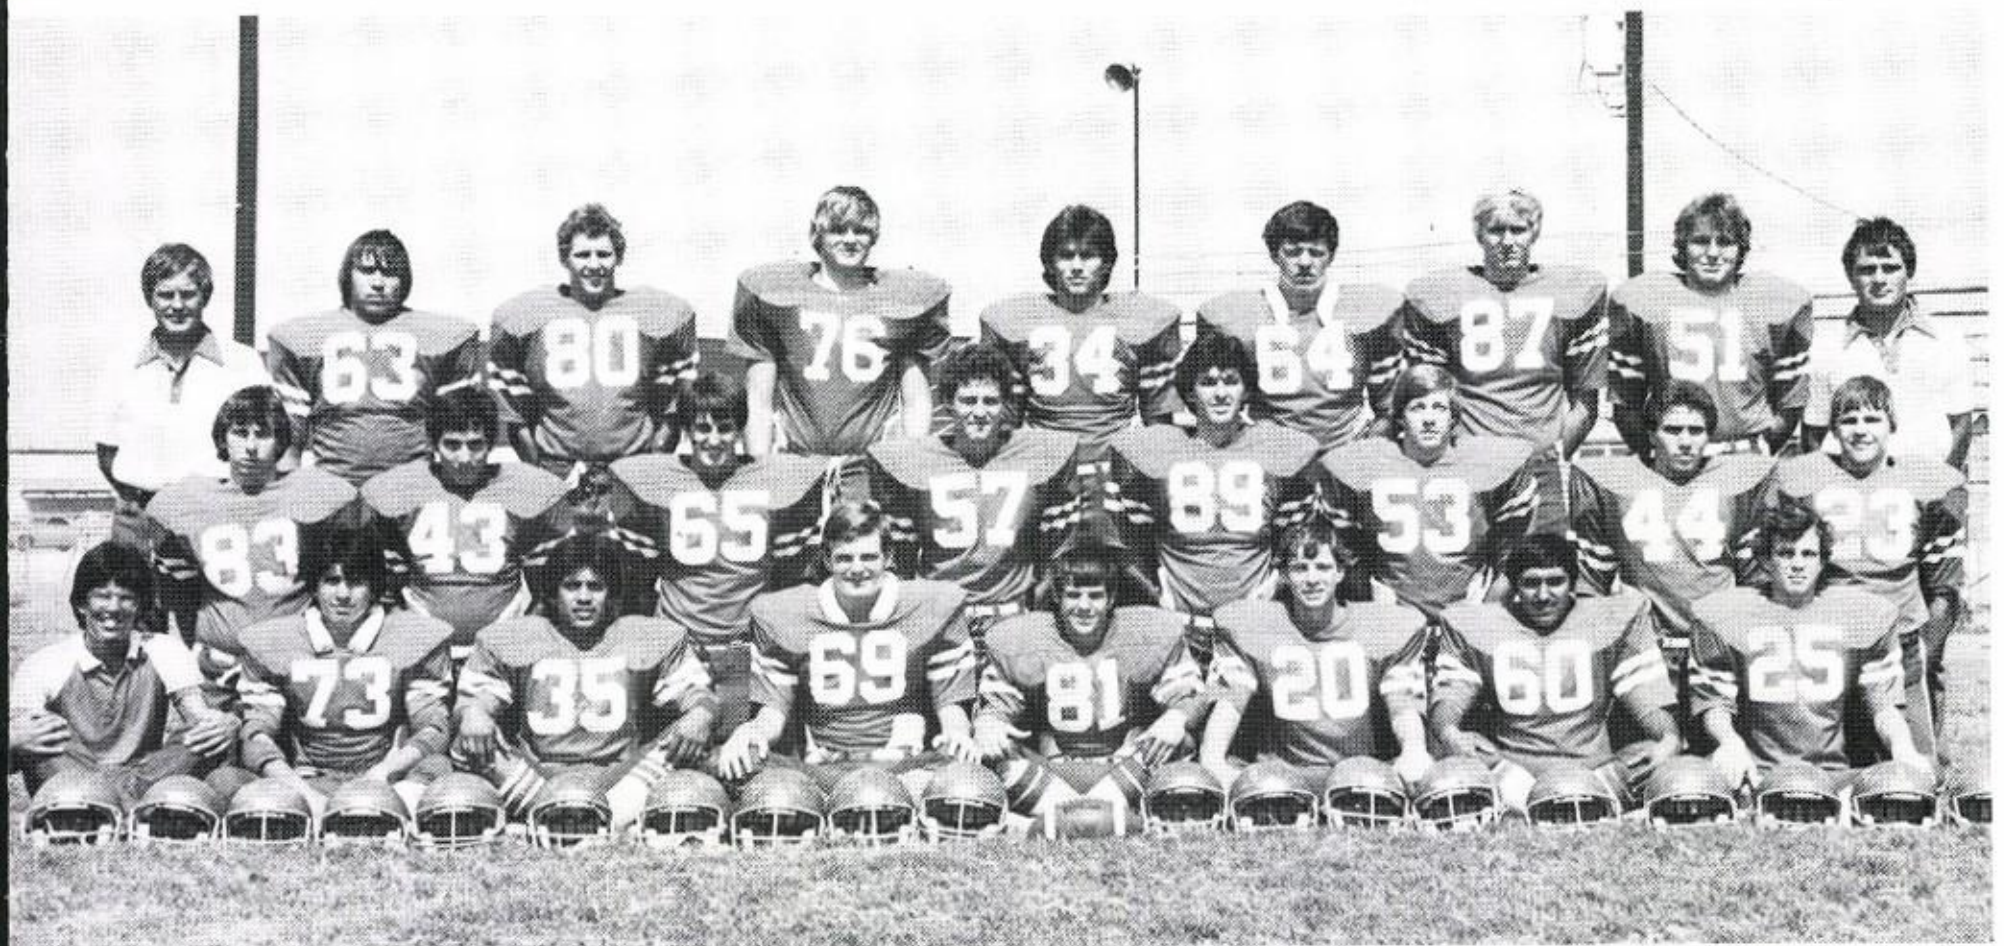

— Football —

The 1983 football season at MHS will be a memorable one for me personally. Although our record was 1-9, I enjoyed working with the players that came out and put forth their efforts. We, as a team, did achieve our team goal which we set at the beginning of the football campaign. That was to simply strive to be the best team that we could be. We were able to accomplish this because of the attitude and the hard work of our football players. I, as a coach, am very proud and honored to have coached the players that represented MHS during the football season.

— Drill Team

This year's drill team consisted of 4 seniors, 9 juniors, 9 sophomores, and 10 freshmen. The beat of the drums was heard every day during football season as the girls worked to perfect their drill for Friday night. At the Homecoming game the drill team used flashlights for a very interesting and challenging half-time performance.

Twirlers: Angela Schraer, Pam Roberts—Head, Christi Ray

M.H.S. twirlers attended the 1983 Tarleton State Twirling Camp this past summer where they earned a total of 19 Superior and Excellent ribbons. They also brought home the Spirit Baton award for showing the most spirit during the week-long camp. In addition, all three were placed on the daily Twirlers's Honor Roll at least once.

Bulldog cheerleaders were among 200 other cheerleaders who attended the 1983 Camp at Hardin-Simmons University. These girls brought back many new cheers and ideas along with several award ribbons. The cheerleaders worked hard during football season to boost spirit at pep rallies and at games.

The girls sacrificed their after school hours to practice on improving their basketball skills. Coach Lea Ehrig, with the help of student teachers, Karen Williams and Fay Parks, directed the girls through the season.

Basketball

The Bulldogs faced a tough time in their last year of Class AA basketball competition, but the girls continued to work hard throughout the entire season. The Varsity and JV Teams both competed in three tournaments during the year. The Varsity placed runner-up at the Robert Lee tournament, and the JV team played well at the Talpa Varsity tourney. Although the Bulldogs did not have a truly successful year, many individuals continued to improve. Senior players, Carmen Albarado and D'Ann Book were named to the All-District Basketball team.

Basketball

Bulldogs Improve Individually

I appreciate the effort the basketball teams, both Varsity and Junior Varsity, put out this year. The individuals on both teams were very cooperative and this made the season enjoyable for me. Although we did not have a winning season on the Varsity level, I felt this was a great group of kids to work with.

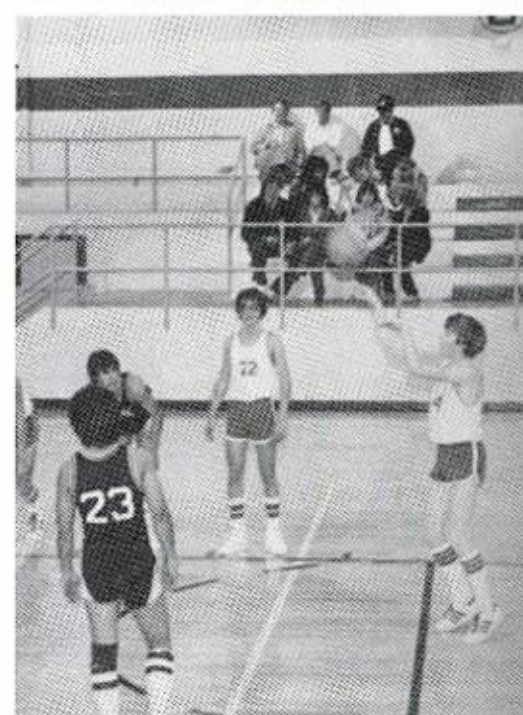

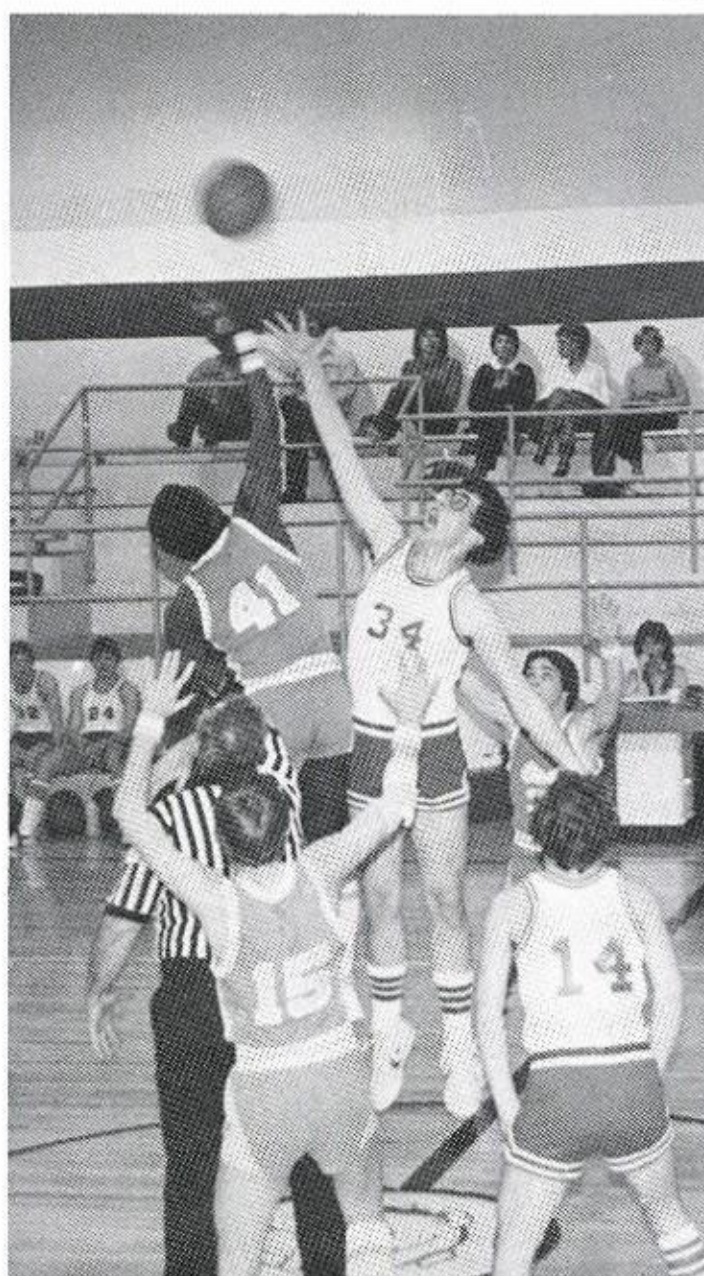

Congratulations to the Junior Varsity team who did a good job this year and ended with a 15-5 record.

— Track —

"Just one more lap" was a welcome phrase heard often by the members of the '84 MHS girls' track team. Along with "laps", weightlifting was a part of the girls' training program, as they worked to improve their individual and team times throughout the season. During this season, the girls battled against the fierce winds as well as the tough competition at the track meets. Coach Ehrig and her tracksters are to be commended for their fine showings at area track meets and at the District meet held in Wall.

Each girl strove toward the individual accomplishment of her own goals.

Track

Sprinters, middle distance, and long distance runners all had their individual activities planned out for each day as they worked toward the District meet.

— Track —

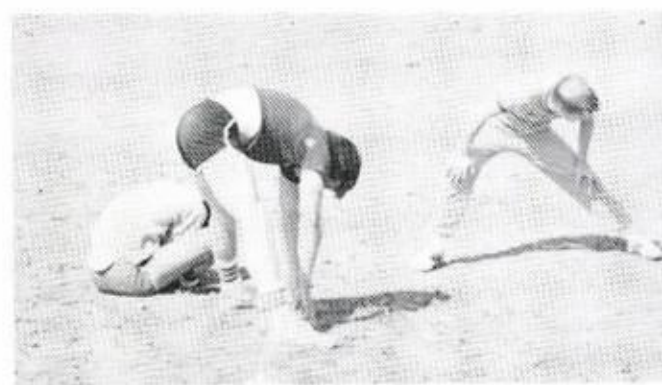

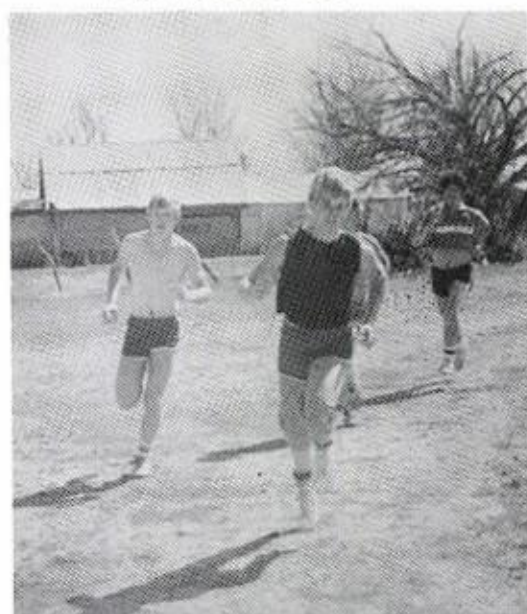

Track plus the Bulldogs always equal exciting moments—no matter how you add it up! And the '84 season held many exciting moments for boys track at MHS. This year's team, guided by Coach Beatty, traveled to many meets where individual as well as team efforts rallied to a successful season in Class AA competition. In addition to track workouts, the boys also participated in off season training for the upcoming football season. The track team traveled to Eldorado for District competition and are to be congratulated for their fine efforts.

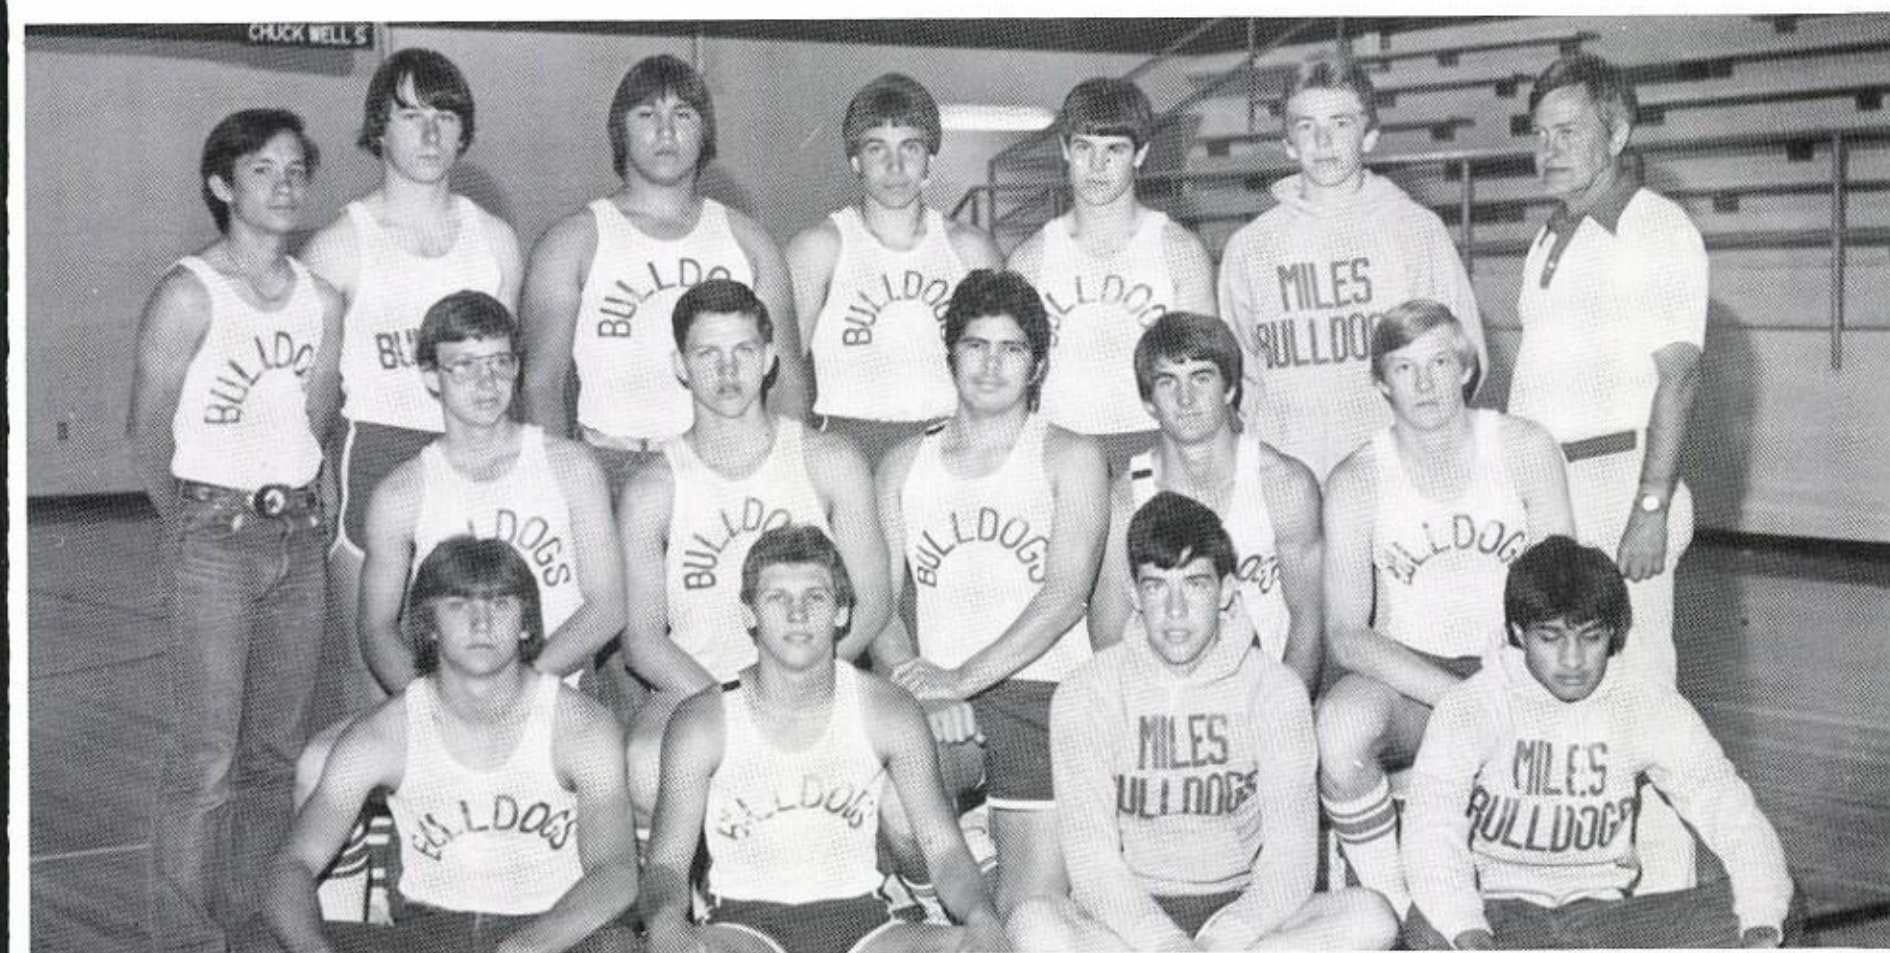

The boys worked hard as they tried to cut down their times in the running events and lengthen their distance in the field events.

Track

The Bulldogs worked out strenuously by running sprints and long distances, and also by lifting weights.

Spring Attracts Tennis Enthusiasts

Along with gusty winds, spring brought out the best of girls tennis at MHS. Eight players made up this year's team as they participated in several practice meets and the District contest at Big Lake.

Tennis Nets Lifetime Interest

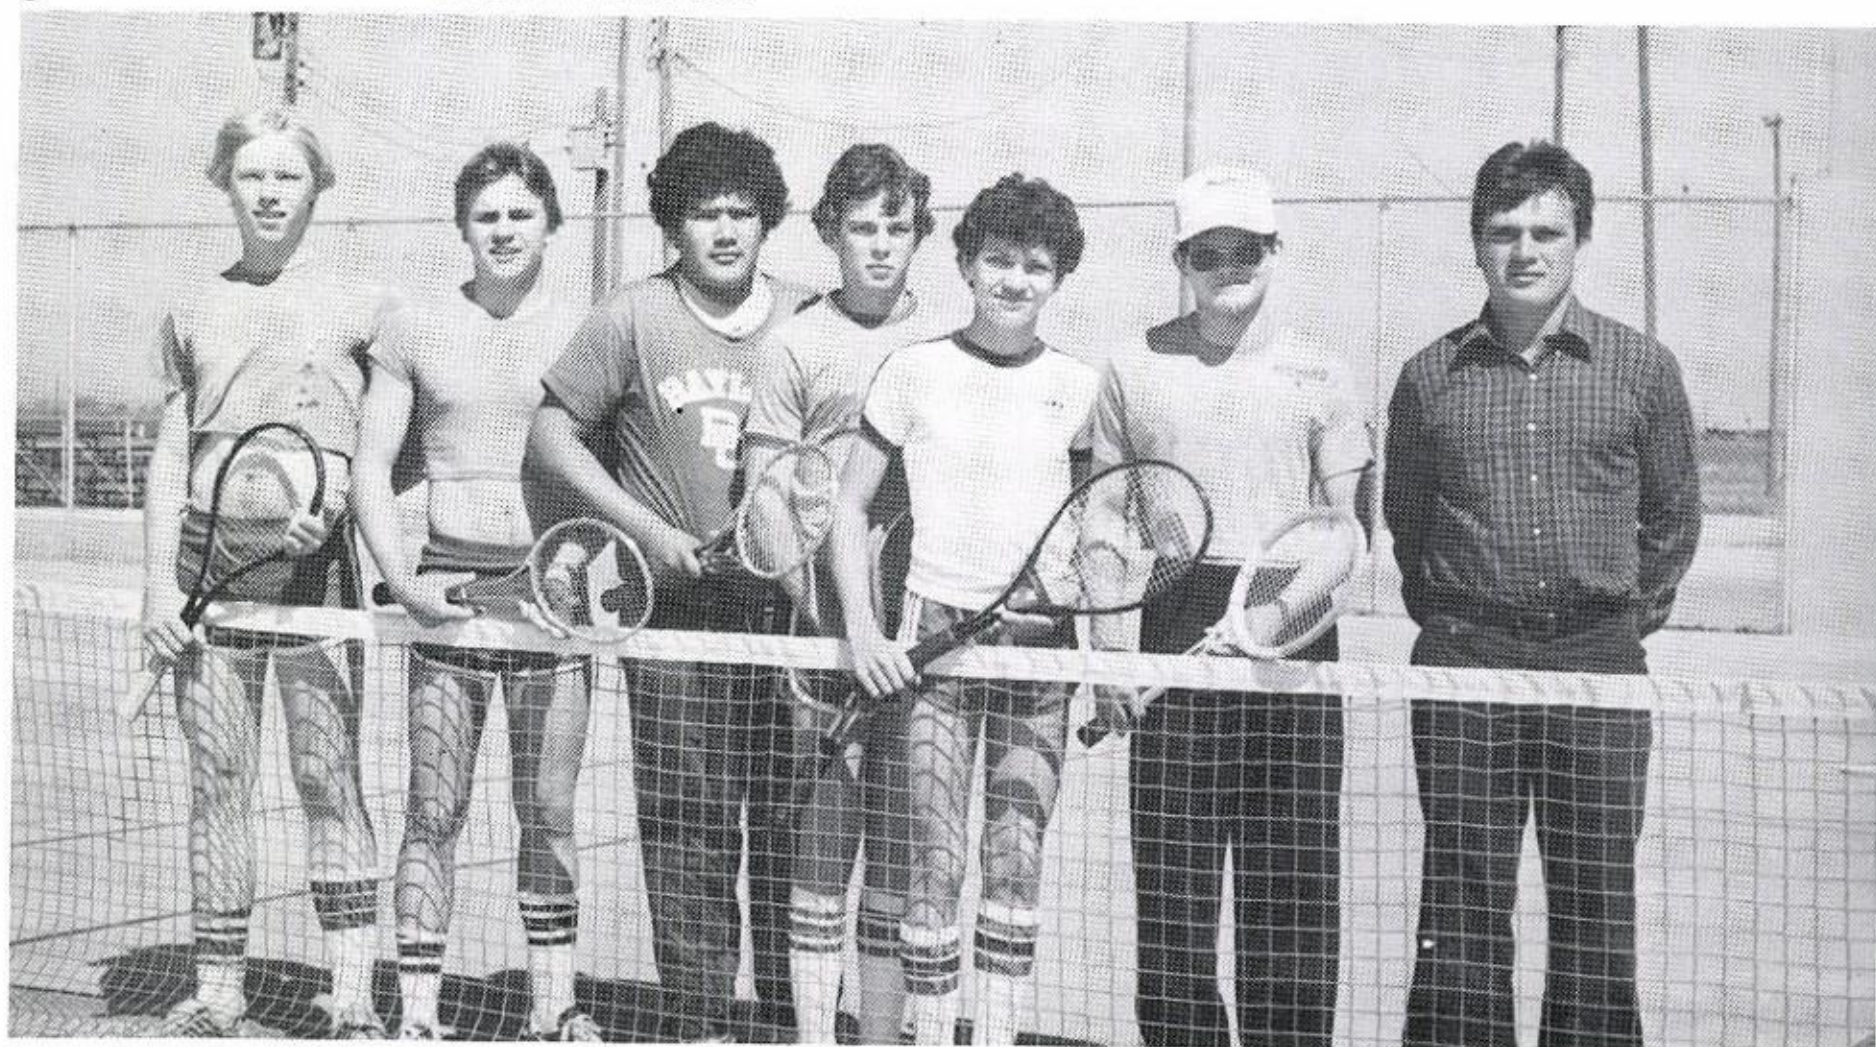

There are many sports to be played in high school, but probably none more invigorating as a fast-paced game of tennis! Also, tennis can be played by all ages and you don't have to be a John McEnroe or a Bjorn Borg to enjoy the sport! Miles had its own "stars" this year in the form of six players, coached by Ubaldo Elguea. These players traveled to several tournaments and also competed at the district meet held in Big Lake.

-Sports Honors- Athletes Shine at MHS

Bulldog athletes garnered several individual honors during the year. Also, many athletes advanced to the Regional level in their respective events.

Paul Kalina was elected to the All-West Texas Football team.

Senior Alan West was elected to the All-District basketball team.

Mary Cay Hohensee qualified for the regional tennis meet where she placed third.

Juniors, Tony Salinas and Brent Hall made the All-Tournament teams at the Talpa and Lohn basketball tournaments, respectively.

D'Ann Book and Carmen Albarado made the All-District Girls' Basketball team.

Bertha Albarado, a Freshman, qualified for the regional track meet held in Lubbock.

Frank Banks represented Miles at the Regional Boys' Track meet for 1984.

Mary Cay Hohensee and Gina Schniers made All-Tournament teams in Volleyball.

— Sports Banquet — “We Believe”

“We believe in the students at MHS,” is what Booster club members and the loyal fans of Miles mean by the phrase, “We Believe!” This was shown at the annual Sports Banquet held this year in May. Many athletes and coaches were honored and congratulated for their efforts during the school year. Certificates were presented to several special people in appreciation for all the work they did for the athletic program. The Booster Club also presented two plaques to the school in memory of Coach Gary Krejci and Janice Schiller.

Tennis Anyone?

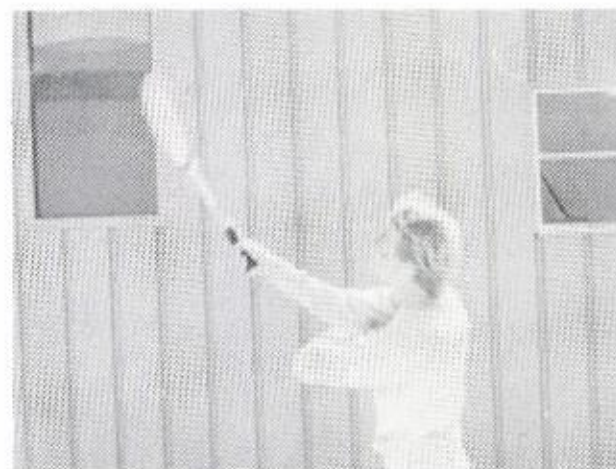

Take one net, a flat surface, one tennis ball, a couple of racquets, two people, and what do you get? Why, a game of tennis, of course! MJH athletes played more than a game of tennis in 1984. They worked on serves, backhand and forehand shots in preparation for the tournaments held in the spring. Coach Dianne Fine guided the tennis players through a season of many windy days. The team consisting of 9 boys and 3 girls gained much experience during the season.

The athletes practiced many hours during the tennis season.

F.H.A. Strengthens Personal Goals

The Miles Chapter of the Future Homemakers of America Area 4 participated in many worthwhile projects this year. The F.H.A. sponsored a very successful Bike and Walk-a-thon to raise money for the American Cancer Society. The "riders" and "walkers" raised over \$1,000 to go toward cancer research.

Also, the members enjoyed many programs held throughout the year. The All-School Pageant and the Sweetheart Presentation provided students with the opportunity to show off their talents.

At the Area Convention held in Stephenville, the Miles Chapter received a cash award for having the best attendance.

National Honor Society — Honor Society Initiates New Members

Mrs. Granzin, National Honor Society Sponsor, gives a short speech at the induction for new members.

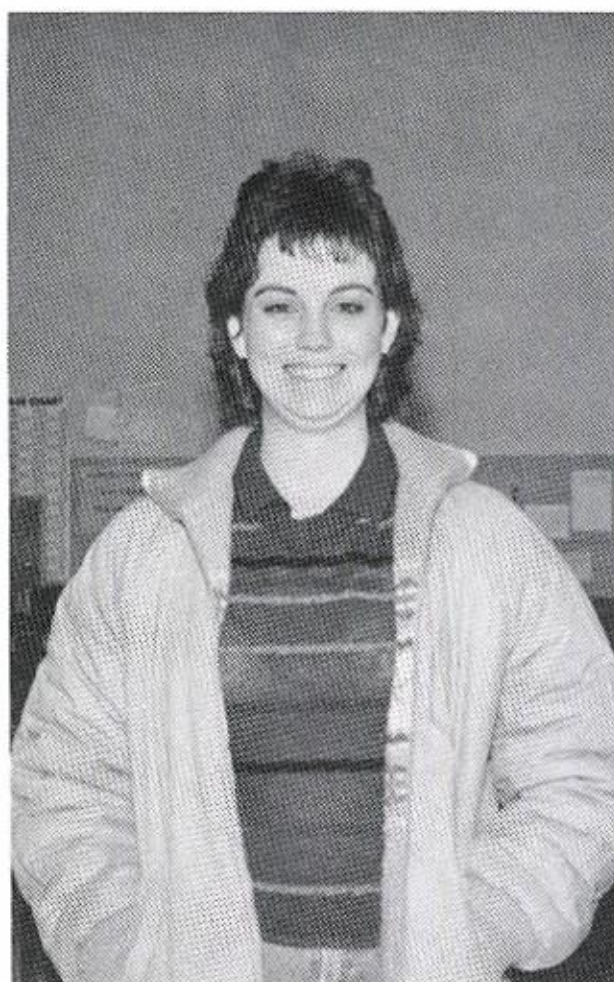

To be considered for membership in the National Honor Society, a student must have a 90 average in all high school courses. The eligible students are rated by the high school faculty on character, service, and leadership. Each teacher rates only those students he or she feels qualified to rate. About 15-20 percent of the Senior class, 10-15 percent of the Junior class, and 5-10 percent of the Sophomore class are admitted to membership. Sophomores and Juniors who are not admitted this year may be admitted next year if they qualify.

The National Honor Society held their annual induction service initiating four new members. Tracy Hyde and Paul Kalina, both Juniors, and Roger Havlak and Kevin Krueger, both Sophomores, were initiated into the Honor Society in a very nice ceremony held March 6, 1983. New officers for 1985 were announced and refreshments were served following the induction in the new cafeteria. Congratulations to these new members and officers.

— Cotton Festival —

Seventh Annual Festival Draws Huge Crowd

The 7th Annual Miles Cotton Festival offered a "little something for everyone." Just some of the all-day activities included the ever-popular parade, food and craft booths of all kinds, square dancing, jalapeno eating contests, a brisket cook-off, and the beautiful Queen's Contest. A street dance climaxed the day of fun. Laura Wright, a sophomore at M.H.S., was chosen as the 1983 Cotton Queen out of 40 contestants. Also chosen were 1st runner-up Carrie Culp, 2nd runner-up Helen Schwertner, and 3rd runner-up Pam Roberts.

The Cotton Festival, held each September, was organized by the Miles Preservation Authority (MPA) to benefit the Opera House here in Miles.

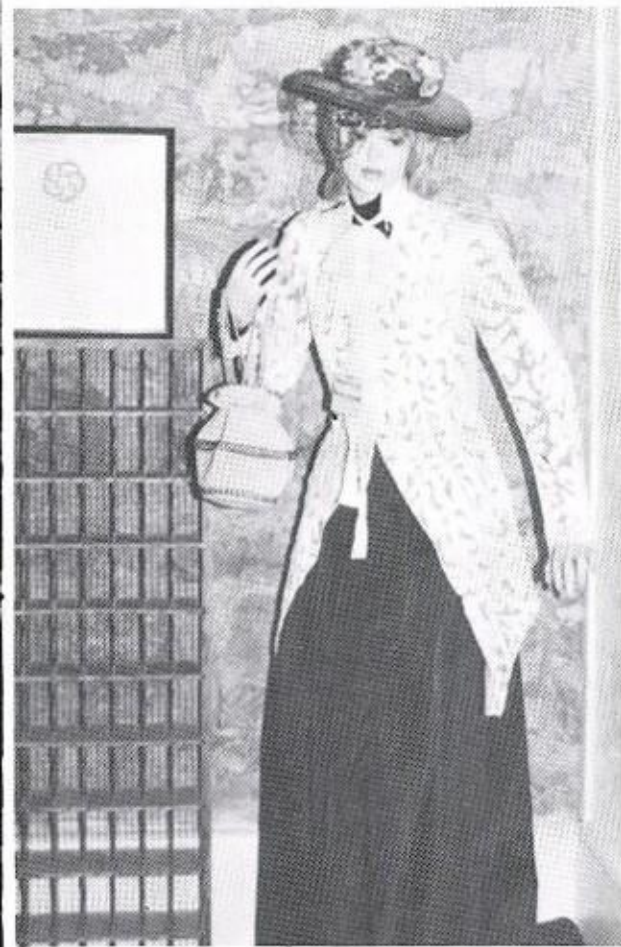

Young and old enjoyed the many activities during the Cotton Festival.

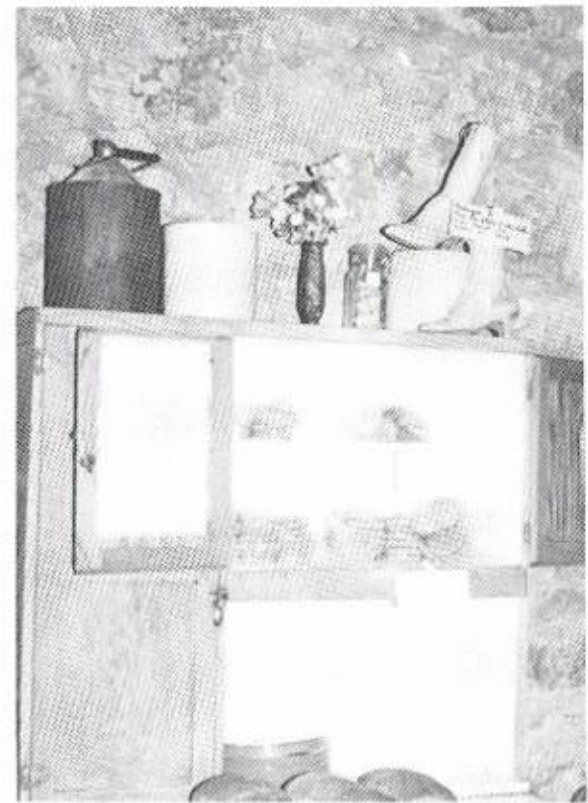

Clowns, snow cones, and queens were all a part of the 7th Annual festival.

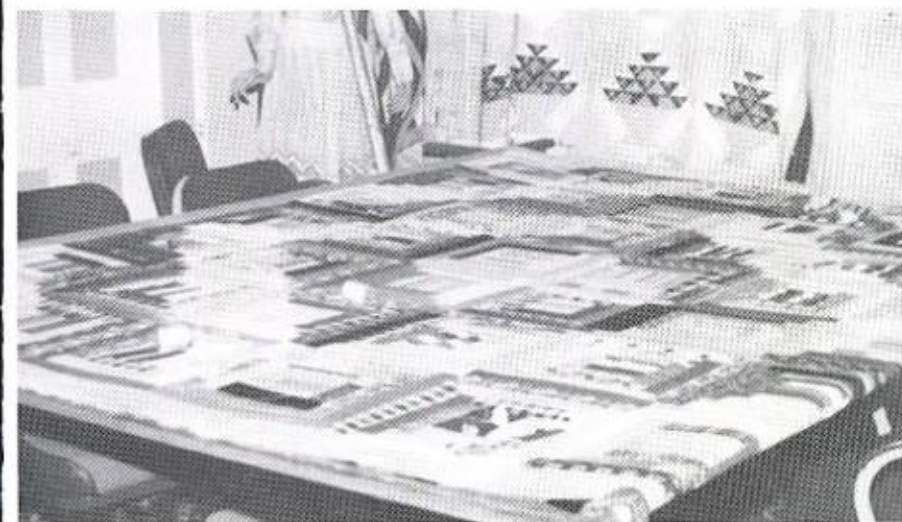

Opera House

This mannequin is dressed in clothes worn by Uncle Joe Theile's daughters.

Along with making many quilts, homemade goodies are made by the Senior Citizens to make a profit.

Opera House Serves as Activity Center

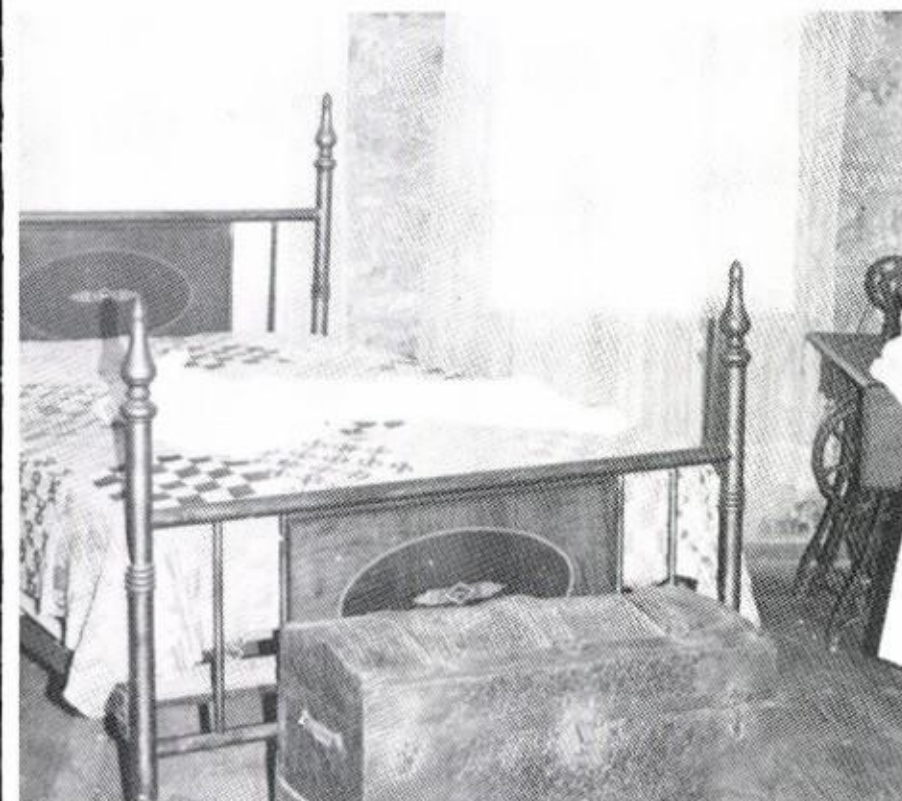

Back in 1904, Uncle Joe Theile brought native stone from Willow Creek to shape the walls of the Miles Opera House. Once a hotel in downtown Miles, the Opera House also contained the city's post office.

Eighty years later, the Opera House still offers much to area residents. No longer a hotel, it is now the official meeting place and activity center for the Senior Citizens of Miles.

Purchased in September, 1976, by the M.P.A., the center provides hot meals for the elderly twice a week, along with various other activities for its members. Quilts, baked goods, crafts of all kinds and exhibits of yesteryear are ever present.

Recently, an upstairs auditorium has been added to the center. All the window dressings and curtains were made by the Senior Citizens.

For a step back into yesteryear with a touch of down-home friendliness, just visit the Miles Opera House!

— Homecoming —

Victory Tops Off Homecoming Activities

Football sweethearts, mums, and crisp fall weather are always a part of Homecoming, and the 1983 M.H.S. Homecoming was no exception.

Showing their spirit during Homecoming week, students participated in designated dress-up days. A pre-game supper and the crowning of the 1983 Football Sweetheart, Gina Schniers, climaxed the week. Football captains, Alan West, Dennis McGuire, Rocky Poehls, and Paul Kalina honored Gina with a bouquet of red roses and the traditional kiss.

One of the most exciting moments came when the Miles Bulldogs defeated the Loraine Bulldogs. After the game, a victory dance was held on the tennis courts as Homecoming Week came to a close.

Tracy Hyde leads cheers to boost spirit during the Homecoming game.

Paige Ehrig and Dena Killingsworth show off their acrobatic ability at the victory line.

Gina Schniers pauses with mascots Candy and Mandy Day after being crowned Homecoming Sweetheart.

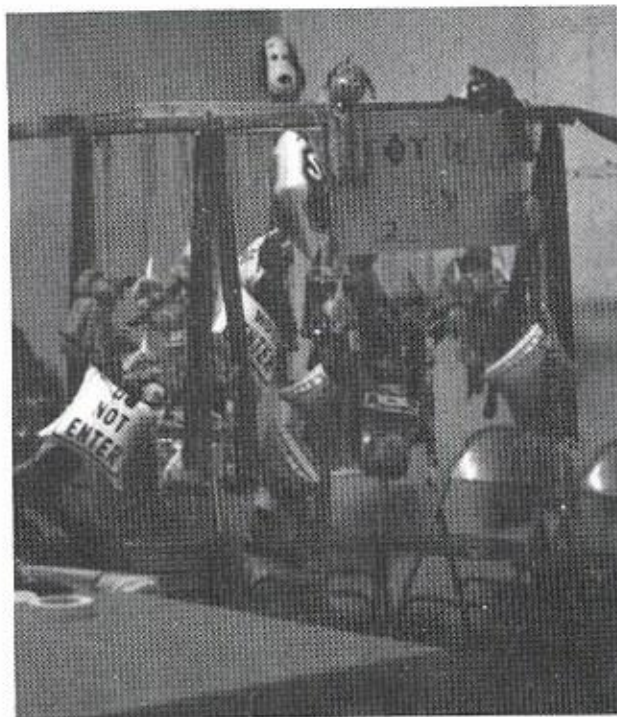

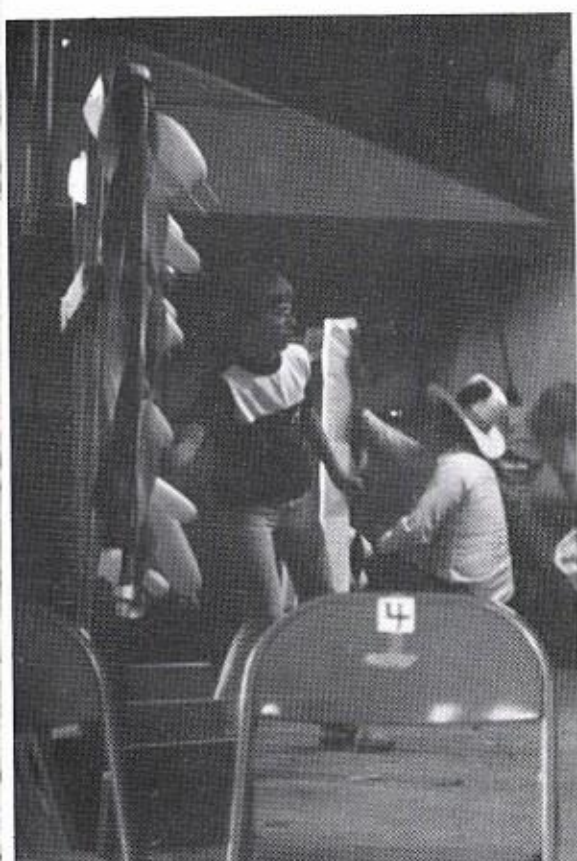

The Bulldogs discuss their strategy on their way to victory against Loraine.

Halloween Carnival —

P.T.A. Sponsors Successful Carnival

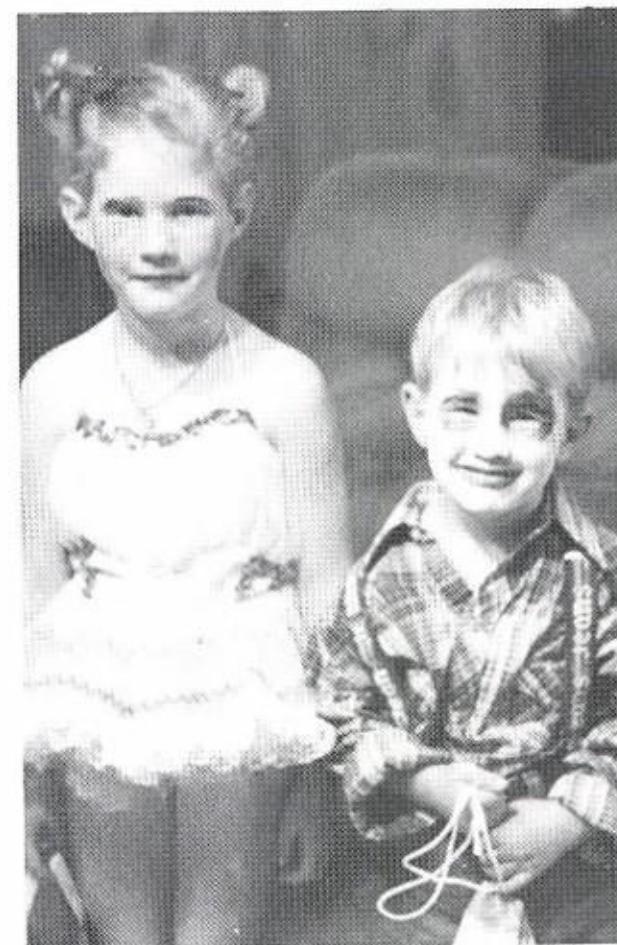

Spooks and pumpkins are always a part of Halloween, but so is the annual Miles PTA Carnival. This year's carnival, with all the usual sights and sounds, was held on October 28. PTA members sponsor this event to help each school grade raise funds as well as to raise money for PTA projects. The activities offered entertainment for all ages ranging from the Senior bingo to the toy walk sponsored by the Kindergarten. Students and parents worked in the various booths and each class sold chances on many different prizes. As usual, many children kept up the spirit of Halloween by dressing up in costume.

Many valuable prizes were donated by local merchants and given away at the carnival.

People—young and old alike took part in the many exciting events.

Students Visit "Toyland"

Christmas is for children—children of all ages, that is! And what a better way to enjoy the holiday season than to visit "Toyland," especially if that magical land is the 1983 All-School Pageant and Style Show. This year's pageant was under the direction of Mrs. Jo Nita Schwarz, FHA Advisor, and D'Ann Book, FHA Historian. Many high school and elementary students combined their talents of singing, modeling, and decorating, to make the pageant a huge success!

— Christmas Dance

Students Enjoy Delayed Dance

January held a little bit of that "Christmas spirit" for high school students this year! Due to bad weather in December, the annual Christmas dance was delayed until January 14.

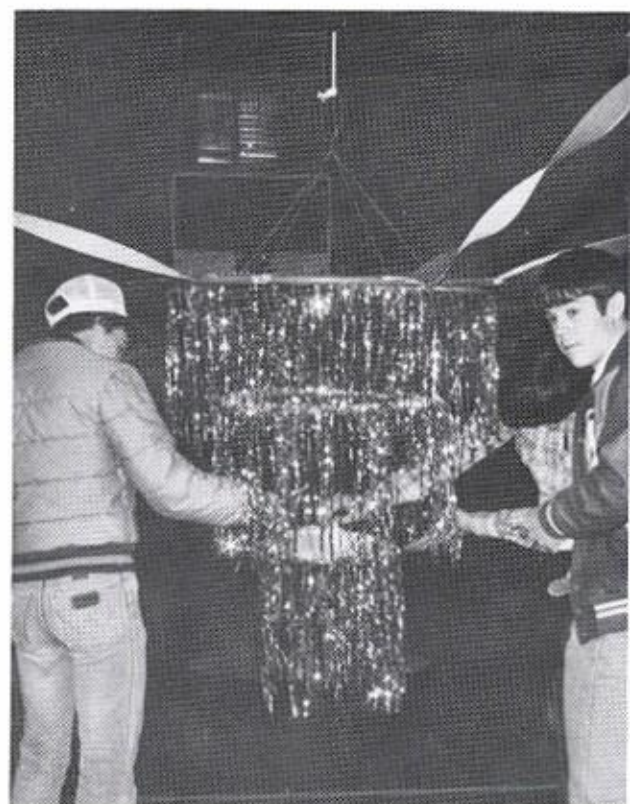

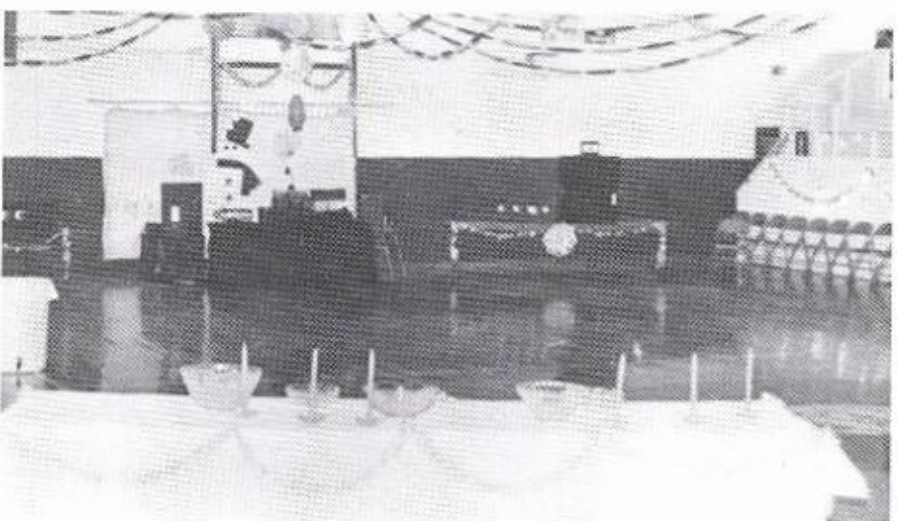

The traditional Grand March was followed by plenty of music ranging from rock to country. The old gym was the setting for the dance that lasted until midnight. Also, the junior class provided winter decorations and streamers to dress up the gym.

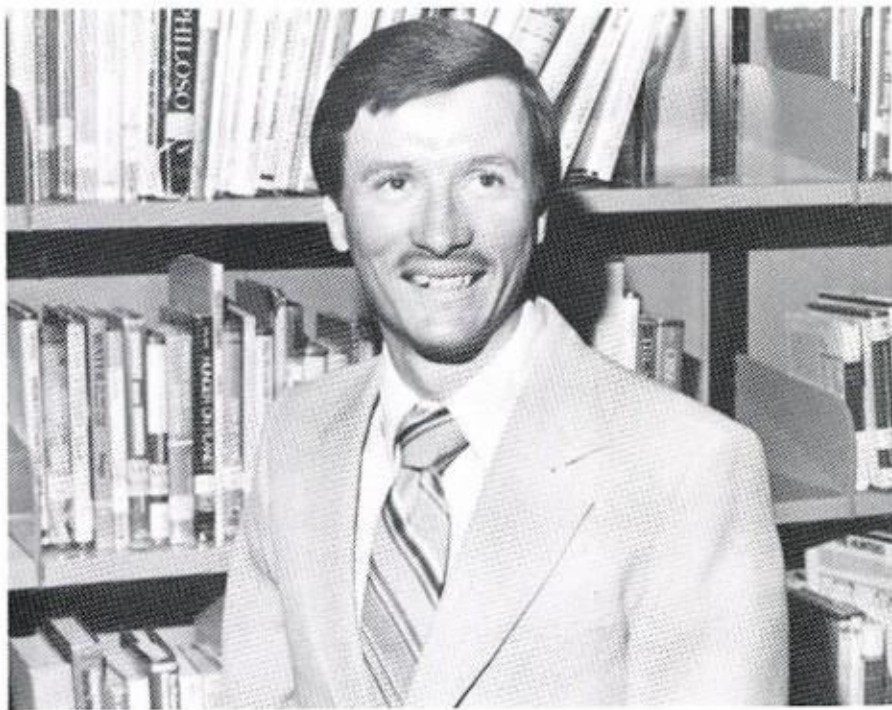

Even though Christmas was almost a month earlier, the fun and excitement remained!

Junior class members work to decorate the old gym.

Students in formal dresses and suits? Yes, it can happen!

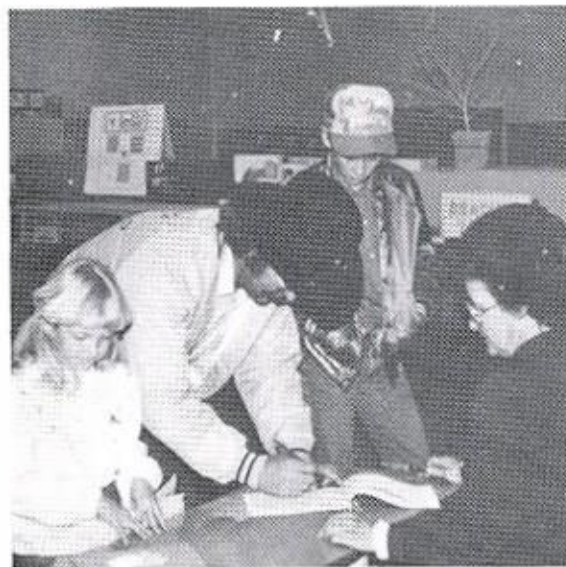

Mr. Bruce Smith was honored as the 1984 P.T.A. Life Member for his devotion of time and service to the young people of Miles.

P.T.A. Works for Students

Miles P.T.A. (Parent Teachers' Association) members work continuously to improve the quality of education received by students at Miles I.S.D. Involvement is the key to a successful organization and the Miles P.T.A. organization is certainly successful.

Besides the many other P.T.A. activities held during the year, the organization sponsored a Reflections competition. This year's theme was "I Have A Dream." (Winners listed below)

P.T.A. involves everyone: parents, teachers, and students alike.

P.T.A. President for this year is Carolyn Eschberger.

— Jr.-Sr. Prom

"Follow Your Dreams"

April 6, 1984, will always be remembered as a day for dreams, especially for the Jr. and Sr. class members. This year's Jr/Sr Prom and Banquet was held at the San Angelo Convention Center with decorations made by the Jr. class. Guest speaker for the occasion was Mr. Bruce Smith. Following the program, music was provided by Renegade.

8th Grade Graduation —

Eighth Graders Look Toward High School

"I'm so nervous!" "Do I look all right?" "What do I do now?"

Phrases like these and many others were heard during the 1984 Eighth grade graduation exercises held this year at the St. Thomas Catholic Church (Miles).

Surrounded by class color decorations of blue and silver, the graduates and their parents were recognized by Mr. Mitchell West. Guest speakers, Lee Ann Havlak and Charles Phillipus, offered the students a "look into the future," by centering their speeches around future educational opportunities.

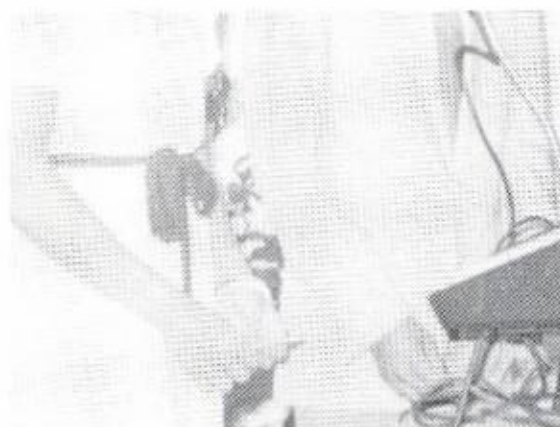

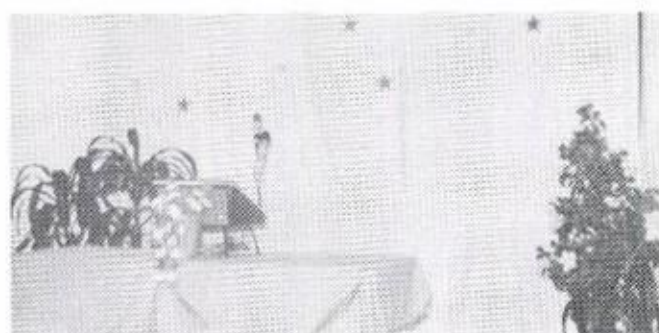

The traditional addresses were presented by this year's top honor students, Paula Dry—Valedictorian, and Stuart Jansa—Salutarian.

Paula Dry, Valedictorian, gives a speech on the future.

Stuart Jansa, Salutarian, centers his speech on the past.

Lee Ann Havlak spoke to the graduates on college.

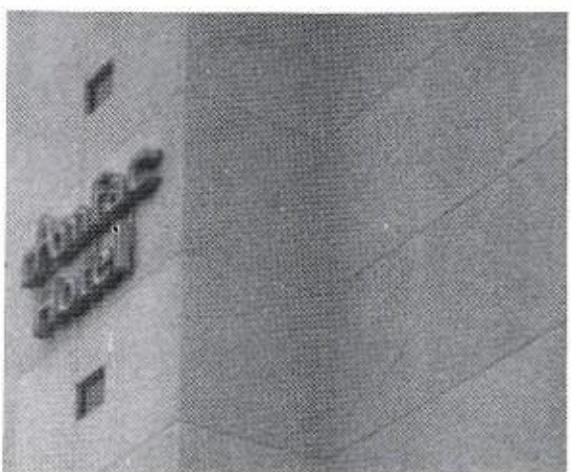

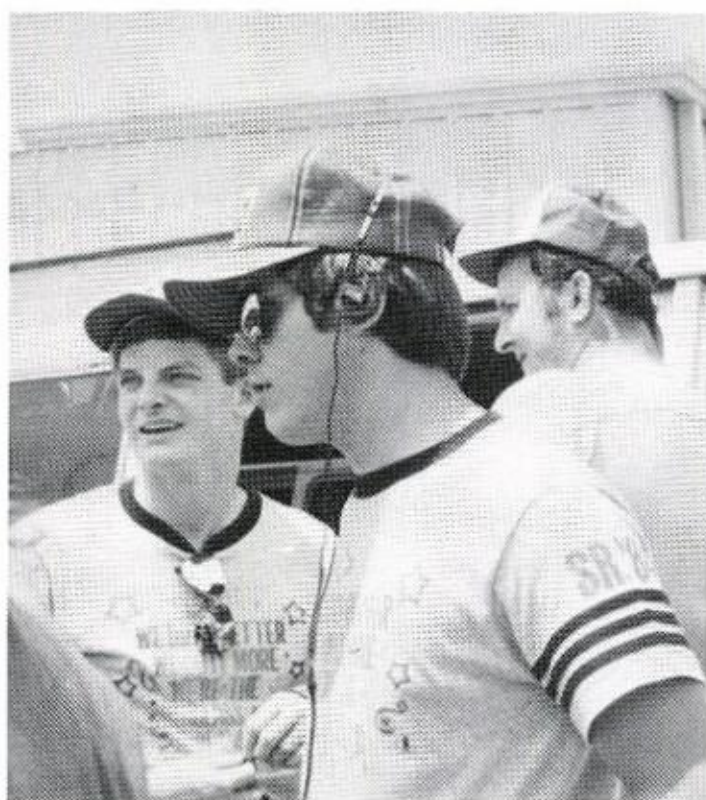

Charles Phillipus gave the eighth graders some insight on trade schools.

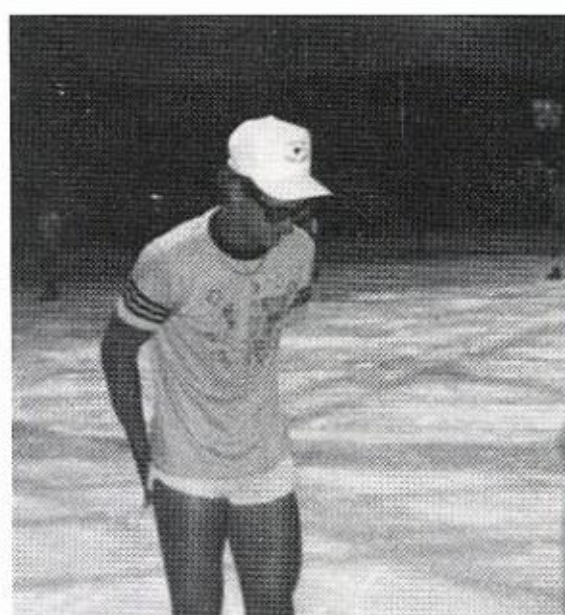

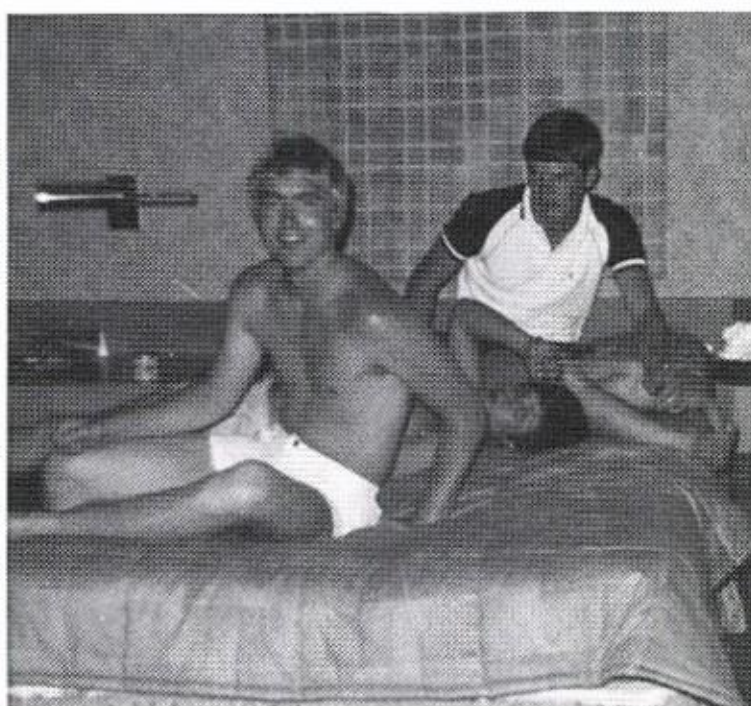

— Sr. Trip —

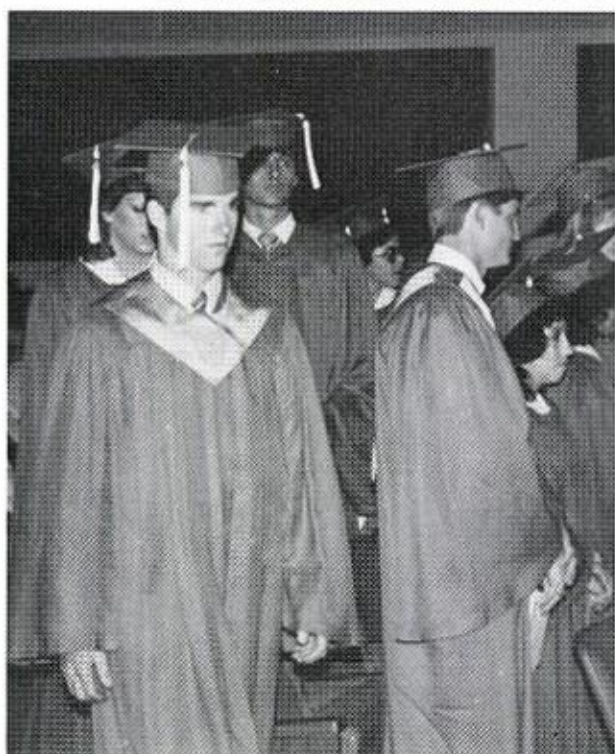

Fun, sun, and surf! Well, maybe not surf but lots of fun and a little too much sun were some of the things that happened on the Sr. Trip. We ate at the finest restaurants, and had some of the best times of our lives in Dallas, Tx.—times which none of us will soon forget.

— Graduation '84 —

The Seniors prepare to receive their diplomas.

Gina Schniers, Salutatorian, and Alan West, Valedictorian, lead the Seniors down the aisles.

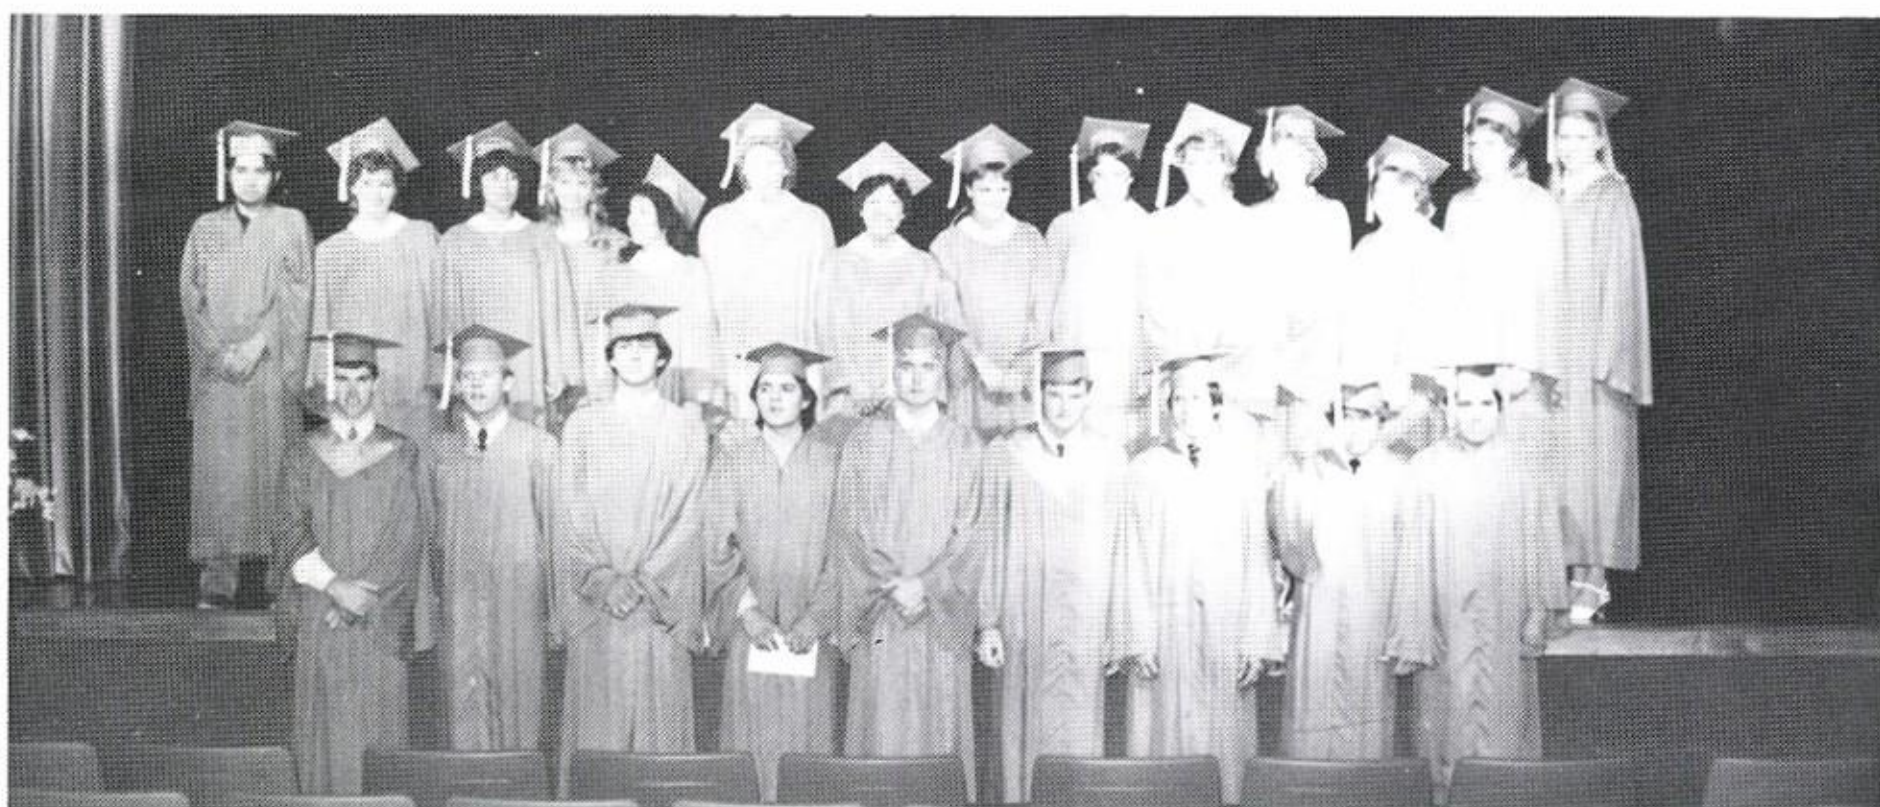

After years of football games, pep rallies, banquets, and homework, the 1984 Senior Class **finally** made it to Graduation! The road to our last year at MHS was filled with good times—and bad, but through it all, we have gained experience, courage, knowledge, and most of all, hope for a bright future!

Mr. Russell had a **strange** introduction to his Baccalaureate speech!

"We made it!"

Seniors of 1984

Graduation '84 —

Mr. Bruce Smith performed several inspirational songs at Baccalaureate and Graduation exercises.

It's Up To You

A diploma's very special—
It's like a golden key
That turns the lock on any door
Marked "opportunity."

But one thing to remember

If you want to get inside—
It's up to you to give the nudge
That swings it open wide.

And it's up to you to take the lead

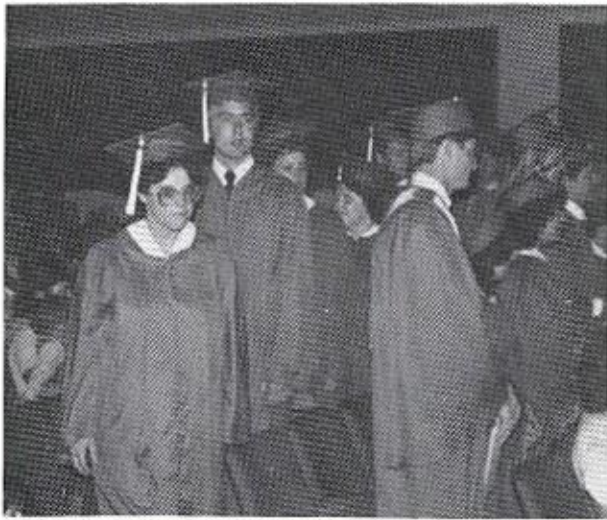

Once you're inside the door
To see if what's behind it
Is what you've been looking for.

Then if it is, you have to mold it

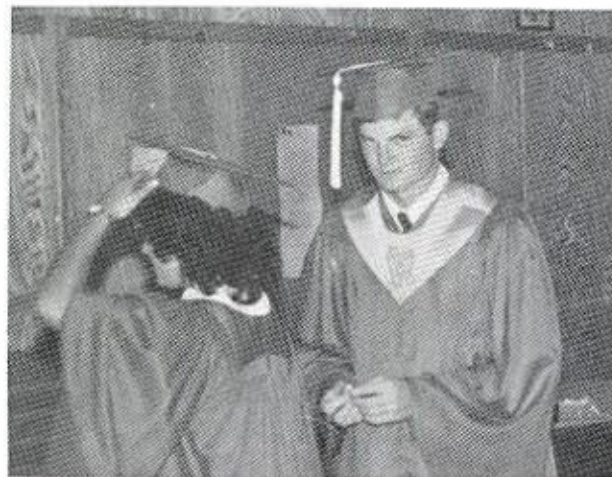

Really push it, tug it, too
Till that opportunity becomes
A big success for you.

So use your key, but be aware

It's just a key at best
And remember that it's up to you
To go and do the rest.

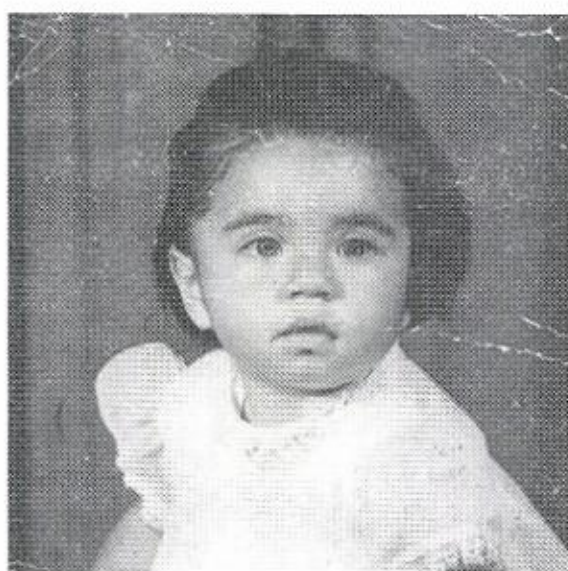

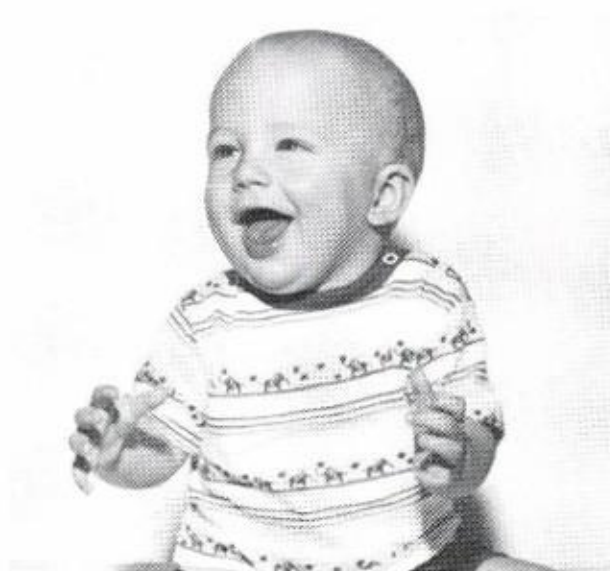

"We do it better, we do it more, we're the CLASS OF 84!"

Seniors displayed a variety of emotions before graduation.
